Local High Wins Ball Game

The base ball team of the Owingsville High School went to Salt Lick Tuesday afternoon and played the High School team of that place winning by a score of 4 to 2.

Mrs. Bert Spence

Mrs. Bert Spence, aged 30 years, died Thursday of cancer at her home on the Josh Owings' farm. She was a daughter of Green Ingram and is survived by her husband. She was buried Friday at Shroud's graveyard.

The heavy rain and wind storm last Thursday did great damage to plowed land, fences and tobacco beds. A great number of tobacco beds were reported ruined by the weather. A bridge on the Mt. Sterling creek was washed out and delayed traffic for nearly a day.

T. S. Shroud is having the old brick building at the corner of Vimont and State avenue torn down and will erect a business house on the site in the near future. Next to the Owings House this is the oldest building in town and was erected in the early part of the nineteenth century.

Albert Bristow, who lives on the Wm. Wright farm near town, had a team of mules to run away Tuesday. The wagon tongue was broken in the run away and the broken end caught one of the mules in the side and splinters from the tongue were run into the mules body. The mule died from loss of blood.

Wm. White

Wm. White died the past week at his home near Woodruff, Mo., after an illness of several months. He was past fifty years of age and had lived near Weston, Mo., about twelve years, having gone there from this county. He is survived by his wife who was Miss Mary Hollas and a small daughter.

Howard B. Goodpaster

Howard B. (Doe) Goodpaster, aged about 45 years, committed suicide at his home near Weston, Mo., the past week. He was a former resident of this county and is survived by his wife, three daughters and two sons, also by his mother and one brother who reside in this country.

GIVE THEM Baker's Cocoa TO DRINK

THE almost unceasing activity with which children work off their surplus energy makes good and nutritious food a continual necessity. Of all the food drinks Baker's Cocoa is the most perfect, supplying as it does much valuable material for the upbuilding of their growing bodies. Just as good for older people. It is delicious, too, of fine flavor and aroma.

Easy and Economical Results Quick

Of what use are fine features
when an ugly, blotchy, skin,
fibrous, fine, sunburn, chapped,
pouches under the eyes, or a
careworn, sickly-looking face?

If you want to quickly clear your
skin and complexion, put some firm,
hard, white, yeast tablets in your
water and power and fresh and look
and feel far better, simply try taking
two of MASTIN'S tiny yeast VITAMIN
TABLETS with each meal and watch the results.

MASTIN'S VITAMIN TABLETS
contain the finest forms of
concentrated yeast vitamins, but all
three vitamins scientifically com-
bined with specially prepared organic
rests, young lime salts, magnesium
lime salts and other true vitalizing
brain, bone and tissue making ele-
ments which Nature provides to pro-
duce a "vitamin" diet, clear
skin and increase energy.

Under their purifying influence,
most skin eruptions and eruptions
seem to vanish as if by magic leaving
the skin and complexion fresh, clear
and glowing with ruddy health.

To those young girls, imita-
tions and cheap substitutes INSIST
upon MASTIN'S to get the original
and genuine yeast tablets, recommended
by physicians and used
by millions. At all good druggists.

How Many Stars?

We think of the multitude of stars
and would in all probability say that

on a clear, frosty, moonless night we
see millions of them. In reality, on

such a night, if we leave out the faintly
luminous milky way, we see

fewer than 3,000 distinct stars. In the

whole starry sphere, of which we see

only a score of first-magnitude stars,

beginning with Sirius, the brightest

of them, and including stars like Orion's

right shoulder and left knee, Betelgeuse

and Rigel, Vega and Arcturus.

LESSON FOR APRIL 23.

UZZIAH'S PRIDE AND PUNISHMENT.

LESSON TEXT.—II Chron. 26:1-21.

GOLDEN TEXT.—Pride goeth before destruction and an haughty spirit before a fall.—Prov. 16:18.

THE CHURCH MATERIAL.—Num. 12:1-15; Deut. 3:12-16; II Kings 5:20-27; Dan. 2:28-33.

PRIMARY TOPIC.—The Story of a Prodigal King.

JUNIOR TOPIC.—A Man Who Forgot God.

INTERMEDIATE AND SENIOR TOPIC.—"Pride Goeth Before Destruction."

YOUNG PEOPLE AND ADULT TOPIC.—The Perils of Prosperity.

1. Uzziah Made King (vv. 1-5).

1. His Age (v. 1). He became king at the age of sixteen.

2. Length of His Reign (v. 3). He reigned fifty-two years. His mother's name was Jecochia, which means " Jehovah is able," or "Made strong of Jehovah."

3. His Character (v. 4). He did that which was right in the sight of the Lord. Though his father made several great mistakes he is given credit for that which he did which was worth while. The son is also commended for what he did which was right, but with his great opportunity he should have done better than his father.

4. His Prosperity (v. 5). He definitely sought God while Zechariah lived, and because he sought him God made him to prosper as long as he continued to seek him. He, like Jonah before him, turned aside when the influence of the man of God was removed.

H. Uzziah's Achievement (vv. 6-15).

1. He Built Elath (vv. 2). This was a port on the Red sea which had been lost to Judah. No doubt it was the aim of the father to possess again of this port, so the son made its restoration his first duty. It was an important trading point and the commercial interests of the nation would be greatly increased by its possession.

2. He Had Military Success (vv. 6-8).

(1) He conquered the Philistines (v. 6). After subduing them he dismantled their fortified cities and built new cities in their stead.

(2) He defeated the Arabians (v. 7).

(3) He made the Ammonites across the Jordan pay tribute (v. 8).

3. He Fortified Jerusalem (vv. 9-15).

He took advantage of the peace which was now enjoyed because of the subjugation of his enemies to fortify Jerusalem. He placed in the towers great engines of war for hurling stones.

4. His Civic Improvements (v. 10).

In the regions south and west of Jerusalem he built towers which served a threefold purpose, namely: observation, defense and shelter for his cattle. This enabled him to carry on his stock-raising enterprises, which they would thus be protected from the Bedouin marauders. He terraced the hills and vineyards and cultivated the old. He entered the army as an enlisted man in the Twenty-ninth Infantry.

5. His Army (vv. 11-15). It numbered 30,750. It was thoroughly equipped and drilled. God was with him, and his fame spread far and wide. The source of his strength was God.

11. Uzziah's Transgression (vv. 16-18).

The prosperity bestowed upon him by the Lord was too much for him; his heart was lifted up with pride. This is always so unless counteracted by divine grace. In his pride he presumptuously intruded into the priest's office. This act was not because of forgetfulness, but of deliberate purpose. Azariah and eighty other priests remonstrated with him, but this only made him angry. This act was a trespass against God.

11. Uzziah's Punishment (vv. 19-21).

While raging in his wrath and about to burn incense he was smitten with a leprosy so dreadful, incurable and unclean disease. This judgment came upon him as a consequence of his overweening pride and vanity. He was thrust out of the sanctuary—excluded from God's house. Indeed, his own conscience smote him, and he hurriedly went out because he knew that the Lord had smitten him. He not only was excluded from the place of worship, but was dethrown. His son Jotham was made regent. His judgment was:

1. Sudden. The Lord smote him while attired as priest, with censor in hand. Frequently God's judgments are speedy.

2. Severe. The leprosy broke forth upon his forehead.

The same judgment befell Miriam for speaking against Moses (Num. 12:10); and Gehazi for lying to Elisha (II Kings 5:27). Great sins demand severe punishment. 3. Conspicuous. Azariah and all the priests looked up and beheld the leprosy (v. 20). The matter was on the agenda, Mr. Lloyd George continued, were enormously important, and it would be criminal to destroy the hope of millions by endeavoring to solve more problems than possibly could be imagined.

"Let M. Chitcherin know," says George, "he advised, "and go north with all we can carry, then we will welcome him on another voyage when we know what sort of a passenger he is."

Radium Deposits Found

Rome.—Radium deposits have been discovered in Vallefiora, says a dispatch to 11 Mondo from Mondovì, in Piedmont. Specimens of uranium taken from the district are said to have shown a sufficient quantity of radium to warrant further investigation.

Ohio Fines Are \$28,250

Washington.—Incomplete returns from prosecutions of the prohibition law in Federal Courts of Ohio, disclosed by the national prohibition unit, show that there have been 358 indictments returned by Federal Grand Juries in the last six months, 201 pleas of guilty and 404 convictions, with a total of \$28,250 in fines imposed. Kentucky reported 466 indictments, 248 pleas of guilty, 292 convictions, and fines amounting to \$25,492.

Fire Loss Is \$200,000

New Orleans, La.—The four-story building at Canal and South Peters streets, occupied by the Menge Marine Hardware and Supply Company was damaged by fire of undetermined origin to the extent of approximately \$200,000.

Army Officer Suicides

San Francisco, Cal.—An army board of inquiry into the death of Major Frank W. Duray, in his quarters, found that he had committed suicide by shooting, but learned nothing of the motive. Duray, a member of a wealthy New York family, served two years overseas in the Ordnance Department and had been stationed at a camp at Ninth Army Corps Area Headquarters here, in the Finance Department.

Prospect of Death in Old Age.

I fully understand that age and infirmity make you look at death from a much more serious point of view than when you only contemplated it as an after-off thing. The vague, distant prospect which comes from time to time during a busy life, and many distractions, is but a dream; but death becomes a very different and far more real matter when you contemplate it in solitude and old age. It costs one little to accept it from afar and deliberately, with a calm gaze on approaching death. This is what sin always does.

4. Humiliating. He was humiliated—unclean—cut off from the congregation.

This is what sin always does.

5. Fatal. It ended in death. "The wages of sin is death" (Rom. 6:23).

1. Suddenly. Nature provides to produce "anti-diarrhea" diet, clear skin and increase energy.

Under their purifying influence, most skin eruptions and eruptions seem to vanish as if by magic leaving the skin and complexion fresh, clear and glowing with ruddy health.

To those young girls, imitations and cheap substitutes INSIST upon MASTIN'S to get the original and genuine yeast tablets, recommended by physicians and used by millions. At all good druggists.

The Rev. John Gillespie, Louisville, will preach at the Presbyterian Church Sunday morning and night.

KURFEE'S
Pure Paint

RETAINS its brilliancy and saves the surface longer because it contains more pure lead per gallon. That's why good painters use and recommend it. It is guaranteed free from adulteration.

Made from 100% pure carbonate of lead, zinc, linseed oil, dryers and colors—and Kurfee's reputation. It goes further, wears longer. Costs no more than the ordinary kind.

Come in today and let us show you how little it takes to paint your home with Kurfee's.
